- CAIR7W** – Gelmaster in white - continuous running
- CAIR7C** – Gelmaster in chrome - continuous running
- CAIR8W** – Gelmaster in white - with timer
- CAIR8C** – Gelmaster in chrome - with timer

The Lunar **Gelmaster** is a mains operated machine that is made for larger areas. Two run time options are available, either continuous running or timed (which can be adjusted to automatically turn on / off every few minutes).

Unique gel tray design ensures all of the fragrance is used during its lifespan. The spent gel's residue is non-toxic, so can be simply disposed of.

The curvaceous lines of the Gelmaster mains operated air freshener have been designed to compliment the **Storm** hand dryer and our new line of automatic soap dispensers.

Being mains powered it gives you not only a larger coverage area but also saves a fortune in the costs of dead batteries.

Actual size W 23 x H 24.5 x D 13.5 cm

Lunar Gelmaster
